Understanding the Calendar

Shepherd Groups: are the main way for students to build strong relationships with other Christian students, apply what they are learning, and experience accountability and encouragement in their walk with Christ. We are meeting in homes by region. Please contact us for info on your region.

Backpack Buddies: are an extension of First Fruits. We will be providing food in backpacks to students at Sully Elementary School. We will be making purchases on Wed at 4pm and packing the bags Thurs at 4pm. Email ashleyramsey@restonbible.org if you want to help.

RBC ChurchWide Events

RE:NEW Conference with Josh McDowell | Feb 3-5 | www.restonbible.org/renew
RE:NEW is an annual "spiritual emphasis" conference hosted by Reston Bible Church in the early part of each year. A new year is symbolic in many ways; there are new resolutions, new goals, new things we want to do, see or accomplish. Often, what is done in the early parts of a new year can set the tone or pace for rest of a year. It should also be a time of reflection with gratitude for the new life God has given us in Christ.
