By a_____ in Him – His life affects my whole life and becomes v_____ to others.

- 2. Sources of Life - where do we look to find life? From Romans 6:1-2
“C_____ in sin?” “Still I _____ in it?” that would be crazy!

My real concern for you: NOT that you might live a long life, be successful, have nice things, be happy
It is that you might exist as you are and never truly know what it means to be ALIVE in Christ!

Eph. 5:14 For this reason it says, “A_____, sleeper, and arise from the dead, and Christ will shine on you”
