## Our Location

Appalachian Bible College

We are back in Mt Hope, West Virginia on one of the most beautiful college campuses around. The activity options near campus are excellent: paintball, caving, white-water rafting and more! But what keeps us coming back year after year is the character & heart of the college staff there.

## FINANCIAL AID IS AVAILABLE

## Our Speaker: Tyler Holder

Tyler is the Adult Ministries and College Pastor at Harvest Bible Chapel in Granger, IN. He has a love for his family, the outdoors, people, but most of all, the Lord. His passion is to connect with and love people right where they are. He is able to be

friends with anyone, and there is no doubt he will make you laugh, mostly through stories from his own life. But he will also challenge you to see how God is not just a Sunday morning person, but the center and purpose of your entire life. Tyler is the husband to Janelle and father to Jax and Adalie, which means he is far enough along in life to give you perspective, but definitely still a youth at heart.

## CAMP ACTIVITIES

During the week, we have several group games and activities planned, plus free time where students can play frisbee, soccer, basketball, fly off of the “blob”, zip line over the lake, or challenge themselves on the climbing tower. All students also get to spend a day at the lake participating in water sports such as tubing & wake boarding. Finally, all students will have the opportunity to spend one day doing an activity of their choice. When you register online, you will rank your preference of which activity you would like to do.

## ACTIVITY OPTIONS

**Whitewater Rafting:** Raft through the “Grand Canyon of the East” on the New River as you ride the rapids with your friends.

**Paintball:** Face off against your friends in a friendly yet competitive game of paintball in a rugged woodland course.

**Caving:** Explore God’s underground creation with a helmet & headlamp leading the way.

**High Ropes:** Test your faith as you rise to a higher level! You will be challenged through a series of obstacles and activities in a multi-level, high angle environment.

**Mountain Hiking:** Hike along the beautiful, winding, Glade Creek mountain stream. Take a break and cool your feet in its refreshing waters.

\*There are some activity restrictions for students who are not 12 by the start of camp.\* Please contact Aaron Osborne: [aaronosborne@restonbible.org](mailto:aaronosborne@restonbible.org) for more information
