The HOPE - Introduction

The Universal Question

Is there a purpose...for the world and for me?

The HOPE video begins with these words...

“Throughout time people have considered the world in which we live; the complexity and beauty of nature, the mystery of life and death, the depth of human joy and pain ...and they have wondered, ‘How did it all come to be? Is this world the result of chance...or design? Is there something, or someone, behind it all? And if there is such a being, then what is He like? Does He have a purpose for this world? Does He have a purpose for me in this world? Does He have a purpose for me beyond this world?’”

- The HOPE video, Introduction

Jeremiah 29:13 reads: "And you will seek Me and find Me, when you search for Me with all your heart."

This is the heart of Quest. Some of our kids may be asking questions about the existence of God, others may just be wanting to know Him more. In both cases He promises to be found when we search wholeheartedly for Him.

It begins with you and me. As we dive in to this study, be prepared to let God show you who He is, and to discover new things about God and yourself. Determine that you will “search for Him with your whole heart,” and then lead the children to do the same.
