### LESSON 8: "Holy. Holy, Holy is the Lord God Almighty" - Revelation 4:8

*Holy.* A biblical term generally meaning "to be set apart". The term is used widely in Scripture to refer to a variety of people and objects alike but ultimately points to God as the one who is qualitatively different or set apart from creation. Holy may also be used to describe someone or something that God has "set apart" for special purposes. In the NT holiness takes on the sense of ethical purity or freedom from sin. The fullness of the biblical witness, then, testifies to God's holiness, understood as God's "otherness" and "purity", as well as to God's prerogative to set people and things apart for God's own purposes, together with the resulting godliness in the lives of those whom God declares to be holy. - Pocket Dictionary of Theological Terms

Take some time this week to quietly reflect upon the holiness of God. His complete purity. It is in light of God's holiness that His grace and love towards His creation becomes all the more amazing.

"Revival happens when we see God majestic in holiness, and when we see ourselves, disobedient dust. Brokenness, repentance, unspeakable joy of forgiveness, a "taste for the magnificence of God," a hunger for his holiness — to see it more and to live it more; that's revival. And it comes from seeing God." - John Piper

"He that sees the beauty of holiness, or true moral good, sees the greatest and most important thing in the world. Unless this is seen, nothing is seen that is worth seeing: for there is no other true excellency or beauty." - Jonathan Edwards
