FELLOWSHIP

**DISCOVER GOD.
ENGAGE PEOPLE.**

what is freshmen fellowship?

In the Sr. High Student Ministry we want to be disciples who make disciples; Freshmen Fellowship is one way for students to be a part of this. Freshmen Fellowship is a faith-driven mentorship program where upperclassmen mentor the rising freshmen. This is done through monthly Freshmen Fellowship Meetings as well as 1:1 hangouts. This program is one semester long: September-December.

why be a part?

Freshmen Fellowship exhorts you to grow in your faith by the study of God's Word in a way that is both formal through the Freshmen Fellowship meetings and informal through 1:1 hangouts with your mentor. It is a unique opportunity for the rising freshmen to be genuinely connected with the upperclassmen and get involved in the Sr. High ministry.

what do the meetings look like?

- Freshmen Fellowship meetings will take place one Sunday each month (September-December) from 6:30-9:30pm in the Senior High Room, led by students Sydney Morello and Jack Evans. The mentors will teach through the provided Biblical curriculum, conduct games, lead prayer, and organize ways to promote application of the teaching.
 - Outside of these meetings, freshmen will work with their mentors to organize monthly hangouts to continue the relationship-building in a less formal setting: this is time to have fun, but also talk about life and spiritual matters.
-

what is the commitment?

- Bi-monthly during your first semester of school (September 24-December 17).
- Showing up on-time and being an active part of the monthly Freshmen Fellowship Meetings and your 1:1 hangouts with your mentor.
- Attending the first Freshmen Fellowship meeting on Sunday, September 24.
- Working with your mentor to hangout outside of the regular Freshmen Fellowship meetings.
- To be seeking a daily relationship with the Lord and desiring to walk in faithful obedience.
