

Sunday Shepherd Groups

Summer Shepherd Groups are a time for our group to gather to watch a video series by Louie Giglio called "Winning the Battle of Your Mind" and to break into small groups to dig further into God's Word and apply what Louie talks about. Plus, each Sunday we will have dinner, hang out, enjoy acoustic worship, and participate in different games and activities. The atmosphere is chill, and even if you miss one week you can pick right back up on the next one. You can either pay \$10 one-time to cover meals for the entire summer, or \$5 per meal.

Youth Summer Camp!

Summer Camp, July 25-31, is a week-long retreat at Appalachian Bible College in Mt. Hope, WV. Some of the activities are fun, like whitewater rafting, paintball, and a day at the lake. Some activities are meaningful, like spending a day of service in the local community. And some activities can be life-changing as we take the time to dig deep into God's Word and grow in our relationships with both God and friends. Our speaker this year is Nate Crew, who knows Lee from his Liberty University days, and most recently started CityLight Church in Falls Church. Don't wait to sign up!
