

RBC YOUTH SUMMER CAMP JULY 23 - 29, 2023

Our Location

Appalachian Bible College

We're headed back to Mt Hope, West Virginia, to enjoy the beauty of God's creation in the heart of the Appalachians. The activity options near campus are excellent: paintball, caving, white-water rafting and more! But what keeps us coming back year after year is the character and heart of the college staff there.

Registration Details:

- Early Registration (by May 1st) \$435
- Regular Registration (by June 15th) \$460
- Late Registration (after June 15th) \$485

Cost covers transportation, activities, lodging, & meals (except 2 meals while traveling).

DEPOSIT: can be made if registering prior to June 15th

CANCELLATIONS: fully refundable up to July 9th

Our Speaker

Paul Goodnight

Paul was on staff at RBC for over 20 years before retiring to Florida in 2018. His combination of humor, knowledge of God's Word, and humble spirit make him one of the most gifted and requested youth speakers.

We are excited to have him join us once again. We believe our students will be richly blessed and challenged by Paul.

REGISTER ONLINE
WWW.RESTONBIBLE.ORG/SUMMERCAMP

Departure:

Sunday, July 23 at
10:30am from RBC

Return:

Saturday, July 29
About 5:00pm at RBC

**FINANCIAL AID
AVAILABLE**

Camp Activities

During the week, we have several group games and activities planned, plus free time where students can play frisbee, soccer, basketball, fly off of the "blob", zip line over the lake, or challenge themselves on the climbing tower. All students also get to spend a day at the lake participating in water sports such as tubing & water skiing. Finally, all students will have the opportunity to spend one day doing an activity of their choice. When you register online, you will rank your preference of which activity you would like to do.

Activity Options

Whitewater Rafting: Raft through the "Grand Canyon of the East" on the New River as you ride the rapids with your friends.

Paintball: Face off against your friends in a friendly yet competitive game of paintball in a rugged woodland course.

Caving: Explore God's underground creation with a helmet & headlamp leading the way.

High Ropes: Test your faith as you rise to a higher level! You will be challenged through a series of obstacles and activities in a multi-level, high angle environment.

Mountain Hiking: Hike along the beautiful, winding Glade Creek mountain stream. Take a break and cool your feet in its refreshing waters.
