If a strange man came to your door
and asked to talk to your children alone
about sex and gender...

This map documents how many clinics worldwide are giving dangerous puberty blockers and surgeries to minors

People love to tell us "This never happens" But it does.

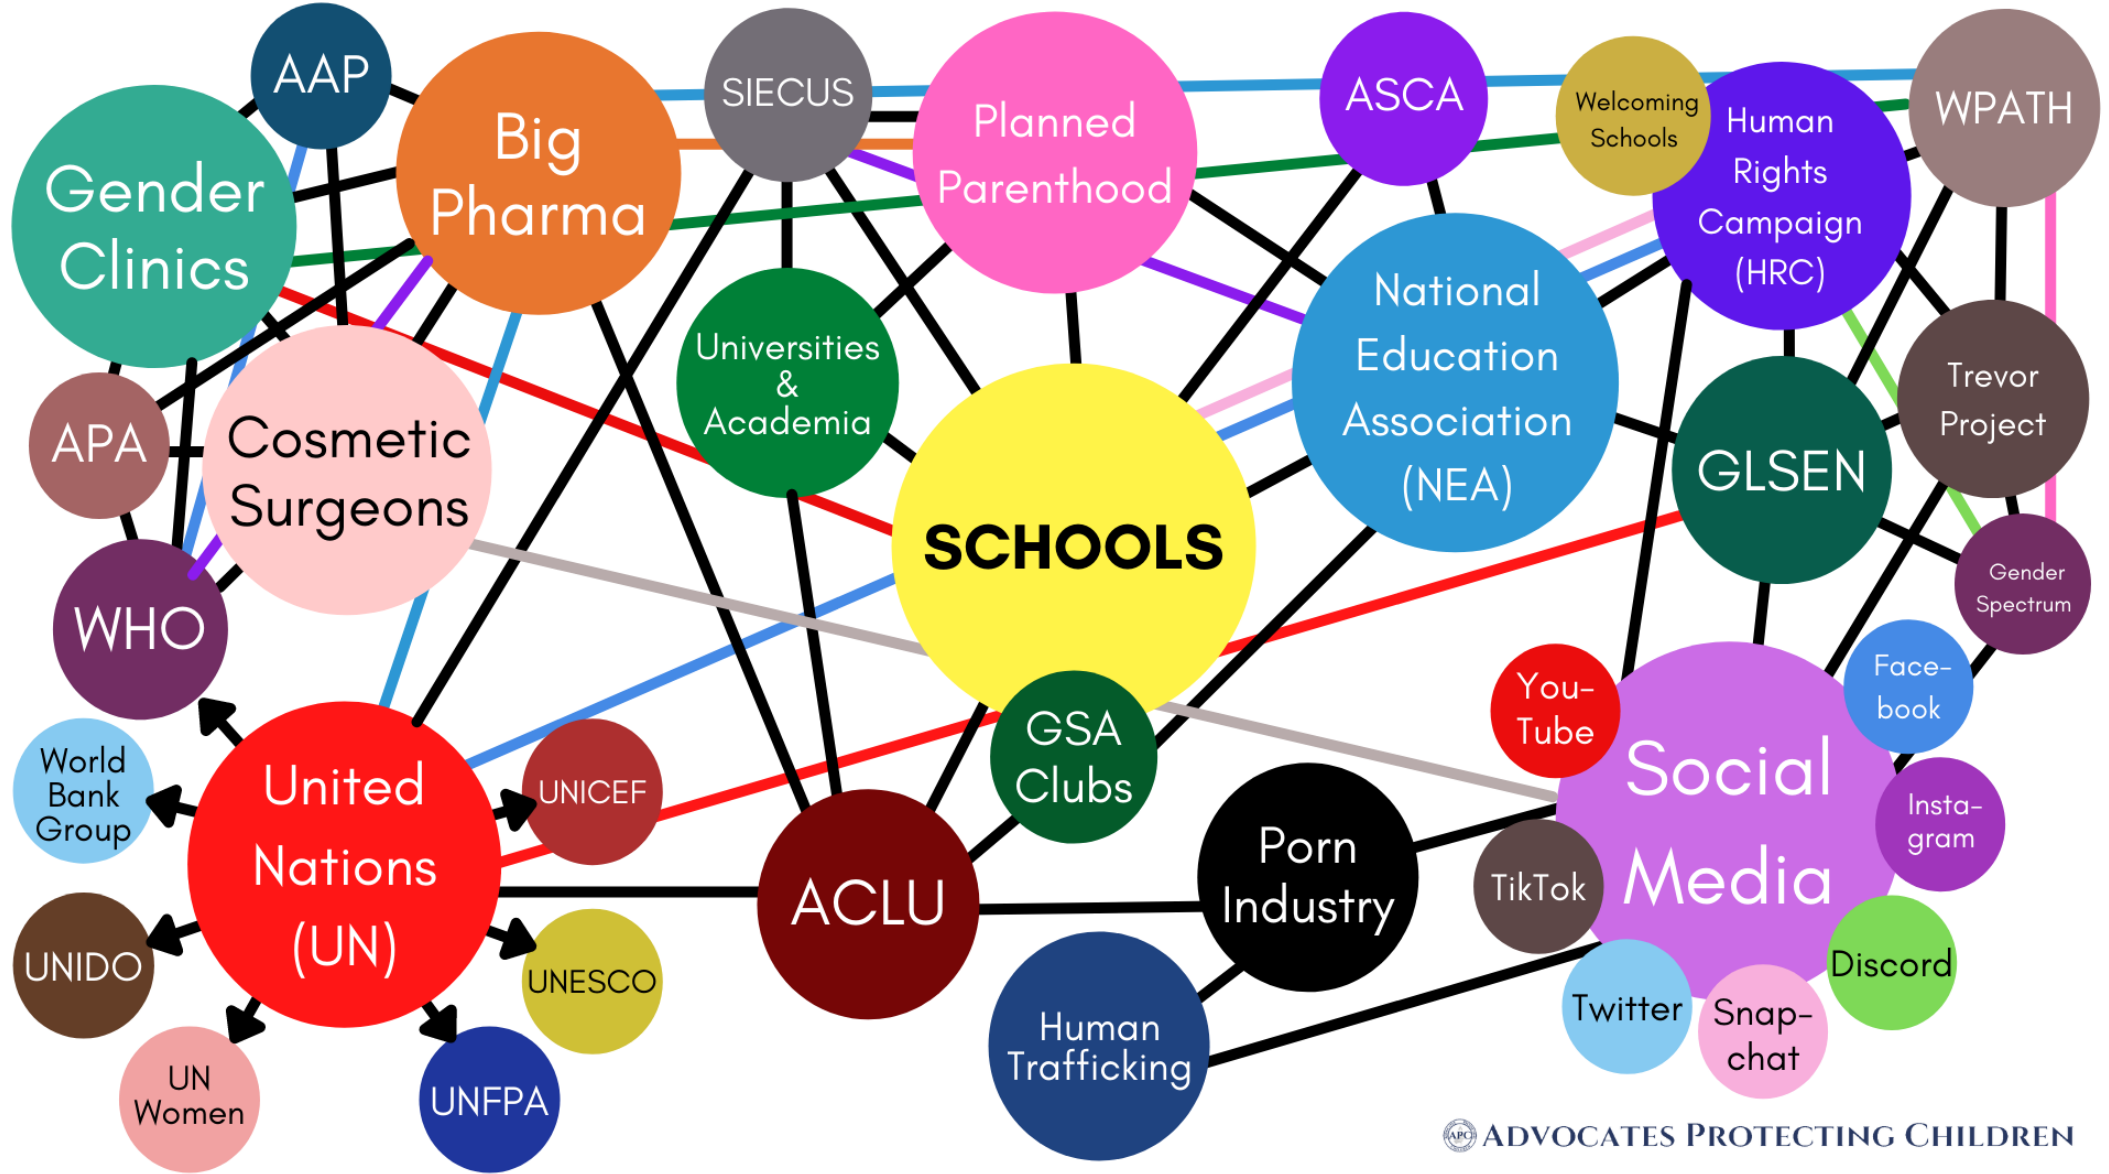

There are 300 pediatric clinics in North America as of 2021

Sweden, Denmark, Norway, Australia, Canada: Gender clinics are a global problem.

Key:

- Orange** is Pediatric Surgeon
- Purple** is Pediatric Gender Clinic
- Light Purple** is 16-18 Gender clinic
- Blue** is informed Consent
- Red** is Testimony

Whether Children Have Trans-Identified Already or Not

1. Sort Out What's Happening or What Happened
2. Cut Off Unhealthy Influences & Establish Healthy Influences
3. Strengthen Your Relationship with Your Child
4. Engage Your Child's Critical Thinking Abilities

1. Sort Out What's Happening or What Happened

Where is the child being influenced?

*School? Social Media? Youth or Community Group?
Relatives? Friends? Family Members?*

What weaknesses might make the child
susceptible to influence?

*Age/Maturity Level? Trauma or Disability?
Recent Difficult Life Event? Family Relationships?*

2. Cut Off Unhealthy Influences & Establish Healthy Influences

Sever Relationships with Antagonists

Create a Protective Wall of Protagonists

*School? Social Media? Youth or Community Group?
Relatives? Friends? Family Members?*

2. Cut Off Unhealthy Influences & Establish Healthy Influences

Three Ways to Sever a Child's
Relationship with Someone:

Exert Your Authority

Distract the Child

Lead the Child to Sever the Relationship

3. Strengthen Your Relationship with Your Child

Develop Your Relationship Skills
Improve Your Communication Skills
Spend Time Together
(Preferably NOT Discussing Transgenderism)

3. Strengthen Your Relationship with Your Child

Develop Your Relationship Skills

Ask Questions

Do Not Criticize

Use I-Statements

Receive Feedback with Humility

Be Present & Participate in the Conversation

Step Away for a Break if Necessary

Don't Interrupt

Check Your Tone

Be Appreciative

Apologize if You Need To

Express Love

4. Engage Your Child's Critical Thinking Abilities

4. Engage Your Child's Critical Thinking Abilities

Feelings vs. Reasoning

Validate Feelings But Not Faulty Reasoning

Ask Questions

What's happening in churches?

How should Christians respond?

“The church does need to respond to people in homosexuality. The church does not need to respond to gay activists who want to push all this stuff in.”

-Rev. Tim Littleton

Model Ourselves After Jesus

- Who are we talking to?
- What is this person's story?
- What does this person need?
 - Apply truth with love.
