If a child completes **15** activities, he or she will be invited to an event that will celebrate the hard work and faithfulness of our students!

There are 5 activities that count towards the Family QUEST Challenge:

- 1) Completing a Family QUEST devotional that is available online (www.restonbible.org/category/childrens-ministry/family-quest/) Other devotionals are great, but DO NOT count for FQC.
- 2) Completing one chapter from a Biblical Treasure Puzzle.
- 3) Reading or listening to an **ENTIRE** chapter out of any book of the Bible (Parents, you can help your emerging readers with difficult words or read difficult sections for them or listen to the Bible together in the car!)
- 4) Watching one of the videos from the Bible Project website: <https://thebibleproject.com/explore/>
- 5) Reading or Listening to the Jesus Storybook Bible or Action Bible: 1 story = 1 line of the FQC sheet

Fill out the sheet by: 1) putting the date 2) checking off the appropriate activity, 3) writing what Bible chapter was read or watched and 4) obtaining a parent's or guardian's initials.

All of the needed documents are available for download at www.restonbible.org/questchallenge/
